

2020 Conference Presenter

Dr. David Cecil is a tenured associate professor in Samford University's Master of Social Work program, 2016-present. His private practice, *Optimize Counseling and Therapy*, is located in Mountain Brook, AL. . He was an associate professor at Asbury University (2009-2016) and was also on faculty with East Tennessee State University (2004-2009). He has published on topics of psychotherapeutic modalities, social work with refugees, relational practice, program & practice evaluation, teaching practice models, and technology use. He teaches Psychopathology annually as a visiting professor at LCC International University in Klaipeda, Lithuania. His current scholarship includes best-practice research on the international social work response to the global refugee crisis and a clinical project on blending attachment theory with cognitive-behavioral strategies for treatment of anxiety.

CONFERENCE OBJECTIVES:

Friday: Practical Applications of Attachment Theory in Current Clinical Social Work Practice

Participants will:

- Review Attachment Theory (Ainsworth, 1973; Bowlby, 1969)
- Compare & contrast Attachment Theory based practice to other modalities (e.g., CBT, Psychoanalytic, EMDR)
- Explore & discuss practical applications of Attachment Theory

Saturday: Emerging Ethical Dilemmas for Clinical Social Workers

Participants will:

- Review the Code of Ethics of the National Association of Social Workers (NASW, 2008)
- Discuss emerging ethical dilemmas related to technology and social media use in clinical social work
- Discuss application of an ethical decision-making model to a clinical case
